Contract No. **RD-76**

SCHEDULE

SCOPE OF WORK

**Phase I - Design, develop, and fabricate Time Event Marker device in accordance with Contractor's proposal 4004, dated October 1, 1958, which is incorporated herein by reference and made a part hereof.**

**Phase II - Fabricate and test fifteen (15) prototype Time Event Marker units, using techniques developed during manufacture, assembly, and test of this unit, as described in Contractor's proposal 2188, dated September 22, 1958, which is incorporated herein by reference and made a part hereof.**

**Phase I and Phase II shall be undertaken concurrently by the Contractor.**

SECURITY

**The classification of the item hereunder is UNCLASSIFIED.**

In the event any question may arise during the preliminary phases of the work and/or research concerning the security of the technical aspects, i.e., security classification of various component parts and/or related reports connected thereto, the Technical Representative of the Contracting Officer is authorized to furnish security guidance during this interim period.

This is only to be considered an authorized expedient and efficient means of resolving technical security problems by the Technical Representative of the Contracting Officer on the spot and is not to be construed as a waiver of the Contractor's responsibility to request formal written notification and/or authorization from the Contracting Officer prior to effecting any changes in over-all security classification of the contract, or item and/or reports being developed thereunder or the Contractor's Security Requirements, as agreed.

The association of the sponsor with the work being produced under this Task Order is classified SECRET. This classified information will be divulged only on a need-to-know basis and then only to those who have been authorized in writing by this Government component to have access to classified information.

~~SECRET~~SECURITY (Continued)

Correspondence originated by the Contractor and/or other data to be submitted hereunder, the contents of which contains classified information or refers to the number of this Task Order and/or Contract, the name and/or address of the Contracting Officer shall be stamped by you with the classification of SECRET. Unless the first paragraph of this Security Article specifies the program, work or items hereunder are classified, all other correspondence and/or data, including reports, need not be classified.

REPORTS

Technical Progress Reports, a Final Report, manuals, drawings and similar data, as may be required under this Task Order shall be submitted at such times and in such format as may be specified by the Technical Representative of the Contracting Officer or may be as otherwise set forth in the "Scope of Work" article of this Schedule.

SHIPPING INSTRUCTIONS

Any items to be delivered under this Task Order shall be delivered FOB destination to whatever location within the continental limits of the United States as may be later stipulated by the Contracting Officer or his technical representative.

All deliverable items, if any, shall be packaged and crated if applicable, in accordance with the Contractor's best domestic commercial practice or as further amplified by auxiliary specific instructions of the Contracting Officer or his technical representative.

In the event any material or items which may be concerned hereunder are, or may later become SECRET or CONFIDENTIAL and when the size or weight of such material or items classified SECRET or CONFIDENTIAL makes shipment by registered mail impracticable, commercial shipment should be made only by the Railway Express Agency "Protective Signature Service." The material must be securely crated and banded and prior to shipment the contractor shall advise the Contracting Officer of (1) the date the material will be shipped; (2) the approximate date of

arrival, and (3) the approximate weight, size, and number of cartons. Bulk shipments of TOP SECRET material shall be made only in accordance with specific instructions which will be furnished the Contractor by the Contracting Officer upon notification that the material is ready for shipment.

#### INSPECTION

Inspection during the course of the Task Order as well as the final inspection and acceptance of deliverable products, if any, hereunder shall be made by the technical representative of the Contracting Officer. Final acceptance of items deliverable hereunder, if any, shall be made after proper inspection at the FOB point designated in accordance with the stipulations of "Shipping Instructions" above.

#### NON-PROMOTIONAL

Although the work under this Task Order is considered unclassified when dissociated from the purchaser, you are not at any time authorized to use items for display or promotional purposes or in any way publicly disclose the items unless you have requested and have received prior written authorization to do so from the Contracting Officer.
